

Community Lutheran Church - San Marcos

December 28, 2011

PLEASE THANK GOD...

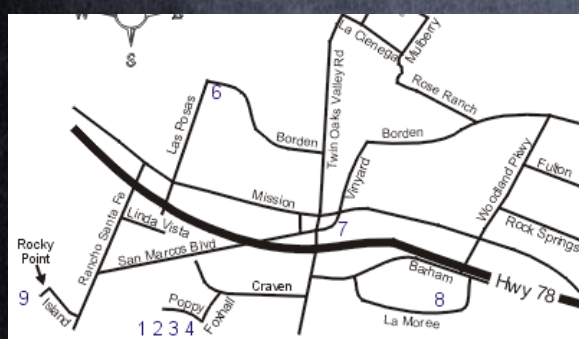

- for those that opened their doors when we went Christmas caroling in San Marcos neighborhoods last week. Most everyone was touched by the singing, and one group even found themselves recorded on phones and iPads by excited families! Continue to pray for the people we met and that they would each find a church home, perhaps at our satellite.
- for the many generous donations that have been made toward the satellite. If you or someone you know is interested in contributing toward satellite needs, visit our website at www.clcsm.org.

PLEASE ASK GOD...

- to work through all those who are inviting friends and neighbors to be a part of our new worshipping community. Launch Day postcard invitations are available Sundays at the Information Booth, and special invitation e-mails and facebook invitations will be sent out shortly.
- To bless our efforts in preparation for worship. We are still in need of many volunteers, including AV/tech help, Scripture readers, and Sunday School teachers. We also have many items and pieces of equipment that we are ordering and praying will get here in time.

MARK YOUR CALENDAR...

January 3rd and 10th Publicity Blitz. Join us in meeting the community of San Marcos and passing out Launch Day invitation postcards. Meet at the Community Center in San Marcos at 5:00 PM to split into groups. Please RSVP so that we know how many groups we will have. Now is the time to volunteer! Only 17 days until Launch Day!

January 8th and 14th Practice Days. We will be in the Community Center testing equipment, planning the layout, allowing the band to play for the first time in the new space, and going over our game plan. If you're a part of the Launch service or are interested in helping, please join us on these practice days!

January 15th Launch Day. Be thinking of people you might invite to the service or start praying for the people of San Marcos who may be in attendance. Launch Service will be at 10:00 AM at 3 Civic Center Drive, San Marcos. A lunch will follow the service, and we ask that any Community Lutheran Church members in attendance bring a Mexican food dish to share.

We are a satellite worship site of Community Lutheran Church launching in January 2012, and we greatly appreciate you keeping this ministry in prayer. Please forward our prayers request to friends, family, and other congregations!
