

Community Lutheran Church - San Marcos

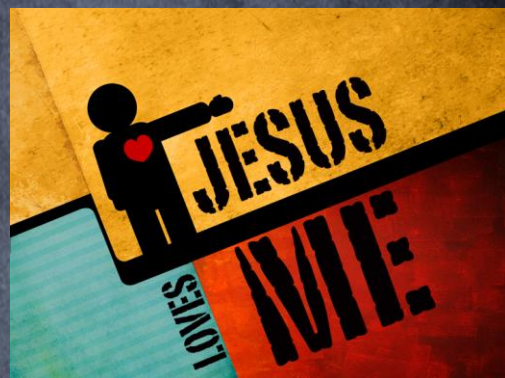

January 11, 2012

PLEASE THANK GOD...

- for the practice service held on Sunday, January 8th. There were very few glitches, and we are confident that the Launch Service on January 15th is coming along nicely.
- for the sound equipment, signage, and materials that continue to roll in this week in preparation for Launch Day. It seems most things are falling into place.

PLEASE ASK GOD...

- to bring people to our first service on Sunday, January 15th who are in need a church home and a relationship with Jesus Christ. Please ask God to prepare us and open our hearts for them as we receive them in worship and at the luncheon. The sermon series preached by Vicar Joel will be "Jesus Loves Me," and we pray that through the satellite ministry, they would know Jesus' love for them.
- to be with each and every person who has received a Launch Day postcard, e-mail, or facebook invitation these last two weeks during our Publicity Blitzes. If it is God's will for them to attend worship with us, ask Him to remove any obstacles that would get in the way of their coming on Sunday.
- to give Vicar Joel and Pastor Meyer, the Launch Team, and volunteers faith and trust in the Lord as they continue the hard work of preparing for our special day.

MARK YOUR CALENDAR...

January 15th Launch Day. Be thinking of people you might invite to the service or start praying for the people of San Marcos who may be in attendance. Launch Service will be at 10:00 AM at 3 Civic Center Drive, San Marcos. A lunch will follow the service, and we ask that any Community Lutheran Church members in attendance bring a Mexican food dish to share.

January 21st 5K Run. We will once again be bringing our "photo booth" to the masses! Come and have your picture taken at in front of our green screen or volunteer with us at the 5K run in San Elijo Hills. Street Fair is open 9 AM – 4 PM. This is a great time to meet the community and share about our new satellite campus! Volunteers needed!
