

Community Lutheran Church - San Marcos

December 20, 2011

PLEASE THANK GOD...

- for the gifts and talents used for the satellite preview service on December 11th. Some launch team members were a part of the praise band, the children helped decorate the Christmas tree, and we tested our ushers for the first time! Thank you to everyone who attended to help us “practice” leading worship with a congregation. To hear the sermon, “Glorious Interruption,” visit our website at www.clcsm.org.
- for the installation of Pastor Tom Meyer and Vicar Joel Beyer in the Community Lutheran Church worship service on December 18th. Thank God for their ministry to us and to the community.

PLEASE ASK GOD...

- to be with us as we Christmas carol tomorrow (Wednesday) night in San Marcos neighborhoods to bring the Good News of Christ and distribute publicity postcards. Pray that the community would open their doors and open their hearts!
- to work through all those who are inviting friends and neighbors to be a part of our new worshipping community. Launch Day postcard invitations are available Sundays at the Information Booth.
- to help us trust Him with all we need for our worship services. We have compiled a wish list of equipment and items that are needed before our launch in January and have posted it on our website at www.clcsm.org. We trust that God will bless us no matter what we have for worship come January, but if it you or someone you know are interested in contributing, please let us know.

MARK YOUR CALENDAR...

December 21st Christmas Caroling. Would you like to join us in reaching neighborhoods in San Marcos with the joy of Christ? Carolers are needed as we visit the streets of San Marcos with heart-warming Christmas music.

January 8th and 14th Practice Days. We will be in the Community Center testing equipment, planning the layout, allowing the band to play for the first time in the new space, and going over our game plan. If you're a part of the Launch service or are interested in helping, please join us on these practice days!

January 15th Launch Day. Be thinking of people you might invite to the service or start praying for the people of San Marcos who may be in attendance. Launch Service will be at 10:00 AM at 3 Civic Center Drive, San Marcos.

We are a satellite worship site of Community Lutheran Church launching in January 2012, and we greatly appreciate you keeping this ministry in prayer. Please forward our prayers request to friends, family, and other congregations!
