PASTOR'S LETTER

Dear Friends in Christ,

Our year has begun as full and dynamic as the last year ended. Our youth and adult ministries, including music, confirmation, and drama, are hitting on all cylinders. Rehearsals will soon begin for our current musical, *Once Upon a Mattress*, with opening night scheduled for April 27th.

Community Lutheran does not sit back waiting for others to lead. Our history as a church is filled with bold plans and actions. On January 15th, our first satellite worship service was held at the San Marcos Civic Center. Close to 150 were there to give this new ministry a great beginning. We look forward to following the ways we will impact this community and grow our congregation.

Lent is a time to review our blessings from Our Lord Jesus, most importantly His gift of eternal life through His suffering and death. It is also a time to renew our commitment to serving Him with our whole being in whatever way He calls us to action.

A wonderful way to focus our thoughts and hearts on our commitment to Christ is through the midweek Lenten services every Wednesday leading up to Holy Week. They begin at 7:00 p.m. beginning with Ash Wednesday on February 22nd. Once again there will be special music and drama. Come early to enjoy a delicious soup supper and Christian fellowship starting at 5:30 p.m.

The season of Lent is a special focus on renewing our commitment. Lent is a tradition in the Christian church, a time set aside for special reflection opportunity. But if tradition is our only reason for doing something, then we present an ineffective witness to our friends. We don't make ourselves miserable during Lent, but we do recognize that we are sinners.

Ignoring sin is a sure way to an unhealthy existence. "Nobody's perfect" is a great line as long as it is used to point us to the One who is perfect, instead of being used as an excuse for sin. Our satisfaction in exposing our faults and ourselves comes from reliving the story of the greatest love ever poured out to an undeserving world.

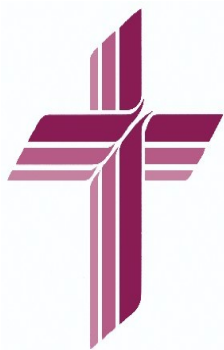

What makes this season so wonderful is the assurance that not only does our Lord take the burden of sin from us with his death, but He also confirms our newness of life in the resurrection. That is what makes us feel so good about life. That is what we share with our friends. That is why this church continues to offer the message of forgiveness and grace to a world that needs to understand what Lent is all about.

What is Lent about? It's nourishment for the soul that keeps our lives in perspective and our minds and hearts in touch with reality.

In His service,

Pastor

**DEAR BROTHERS AND SISTERS
IN CHRIST,**

We have already welcomed eleven new students to our school. God is truly blessing us with each of these precious children. Nearly all of our new families are relatives or friends of former or current students. Some are new to our neighborhood. God has also blessed us with the addition of Rebekah Tuttle to our staff. Her fiancé, Bryan Haskell, was a student here during our school's first years. A very special thank you to Maria Dangel, who is our excellent substitute during Tiana Jaramillo's illness. Maria provides a warm welcome, quickly learns everyone's names, and immediately makes parents and children feel secure.

SUNDAY SCHOOL

**Greetings from Kids of the
Kingdom Sunday School**

Thank you to all those who participated in the annual Sunday School Christmas program in December. The story "O, Christmas Tree" revealed the true message of our Savior's birth, death and resurrection and the truth revealed in the cross through symbols of the Christian Faith. Families enjoyed the traditional Christmas carols and a fellowship dinner following the performance. It reminds us all that the story of Christmas can always have a

is on love - especially the love that Jesus gives. Please visit our classrooms to see how beautifully the children's work reflects their love for their Lord, their families, and their friends. This is also Community helpers month, when we honor those who care for others in the work they do every day. Our first visit will bring puppets to teach children about the dentist. This special event will be Wednesday, February 1. You are welcome to attend, but please call ahead.

The teachers will also help the children learn about two of our Presidents - George Washington and Abraham Lincoln. Throughout the month we continue many enjoyable activities emphasizing the letter of the week. The children excitedly go home and get their families involved in finding objects that start with

fresh purpose in our lives.

"Friendship Sunday" is coming up on February 12th as the children are encouraged to invite a friend to attend Sunday School with them. Each class will have an age appropriate craft along with their Sunday School lesson.

We continue to see the excitement of the Sunday School children as they meet each week for Opening songs, offering, birthday recognition and classes.

It is not too early to start thinking about volunteering to help during the summer

the letter they are studying. No matter what the lesson, our theme is always Bible-based.

It is a privilege to work with a congregation that recognizes the power of prayer. Thank you for your many expressions of support for this ministry. Every month volunteers make significant improvements and repairs.

To God Be The Glory,

HELP FOR 2012

By Margaret Simonsen, Parish Nurse

Some time ago I ran across the following article in a neighborhood newsletter and the author was not given. It has stayed with me and prompted some thought. I offer it to you as we start the New Year and all the hopes we have for it.

WHO AM I ?

I am your constant companion. I am your greatest helper of heaviest burden. I will push you onward or drag you down to failure. I completely at your command. Half the things I do you might just as well turn over to me and I will be able to do them quickly and correctly.

I am easily managed - you must merely be firm with me. Show me exactly how you want something done

and after a few lessons I will do it automatically. I am the servant of all great individuals and, alas, of all failures, as well. Those who are great, I have made great. Those who are failures, I have made failures.

I am not a machine, though I work with all the precision of a machine plus the intelligence of a human. You may run me for a profit or run me for ruin - it makes no difference to me.

Take me, train me, be firm with me, and I will place the world at your feet. Be easy with me and I will destroy you.

WHO AM I ?

Not long ago I was privileged to hear Dr. Joe Ramsted who started the Geriatric program at UCSD. He stated that exercise influences all body organs and biochemistry and that the more fit we are, the more oxygen consumption

can function at a higher level over longer periods of time. It helps our perception (where we are in space) which leads to fewer falls. Little exercise is required to show a difference in our improved cognitive (thinking) functions. With all these benefits, it makes no sense not to use the answer to the above question to help with gaining them. Have you figured it out yet? The answer is habit.

**BLOOD PRESSURE CHECK
(ESCONDIDO CAMPUS)**

Come on Sunday, February 12th, to have your blood pressure checked after the first service. For information, contact our Parish Nurse, Margaret

OUTREACH**STEPHEN MINISTRY UPDATE**

On January 29th our congregation commissioned seven new Stephen Ministers. They will also be commissioned February 12th at our San Marcos Satellite. Throughout history, when God has called people to special ministry, members of their community have commissioned them for the important new work they are taking on.

Our Stephen Ministers have already completed substantial training to equip them for their task. Commissioning publicly recognizes the significant ministry they perform among us. We ask God our Father to grant them Christ's Spirit of wisdom, power, discernment, and love for those to whom they will minister.

As a ministry of our congregation all of us are participate in the ministry of Stephen Ministers. You can actively support this ministry by the following:

First of all, you can pray for our Stephen Leaders, our Stephen Ministers, and their care receivers. This ministry calls for both time and effort. At times they may feel tired, discouraged, or convinced that they are not accomplishing anything. The assurance of our prayers and appreciation will help them keep moving forward.

You can also affirm and show our appreciation for this valuable ministry. We can tell them how much their hard work means to us, tell others how much we value our Stephen Ministry, and focus attention on our Stephen Ministers to bless and affirm them.

You can become involved in this ministry in many ways. Some of us may recognize a call to use our special gifts in this ministry and may apply to be a Stephen Leader or Stephen Minister. Others may accept the care of a Stephen Minister. We can be ministers of referral, watching for people in need and suggesting a Stephen Minister's care. We all can give our enthusiastic support by keeping Stephen Ministry

always before us and by praying for and affirming those who have answered God's call to serve in this way.

We commend our newly trained Stephen Ministers into the hands of our loving God, thanking God for all that they will bring to this congregation in providing care to others, promising them our daily prayer and support as we send them out to minister among us.

Pastor Mark Logid, 760-212-7488, or one of the Stephen Leaders, Bill and Mary Hunter and Graham Grainger, will be glad to answer any of your questions to get you or someone you care about connected to a caring Stephen Minister. Soli Deo Gloria (To God Alone the Glory)!
